

COMMUNITY POOL INFORMATION FOR 2012 SEASON

INTRODUCTION

Cornerstone is proud to showcase its amazing new community pool facility! The pool is available to Cornerstone residents and their guests, and the facility features a large salt water pool, a heated spa, a splash park, a waterfall, a pool house, and a picnic area.

MEMBERSHIP

Pool membership is only available for Cornerstone residents. The pool membership fee for the 2012 summer season is \$30 per resident. Children under the age of 12 are free. The membership fee basically covers the cost of the pool membership card, which is required for entry into the pool facility. A new membership card is required for each season.

OBTAINING A MEMBERSHIP CARD

A membership card is required for each resident who wishes to use the pool facility. Once the pool opens, you can obtain your membership card onsite from one of the staff members at the pool facility. Membership cards may also be obtained *before the pool opens* at the main pool office located at 113 Goldenrod Place, Lynchburg, VA 24502. This process only takes a few minutes. You will just need to setup an appointment, come by the office, provide a valid proof of Cornerstone address, get your picture taken, pay the card fee, and your card will be printed during your visit. Cash or checks are accepted. Please note that getting your membership card in advance is by appointment only, so please call (434) 239-1940 to schedule a time.

GUEST POLICY

Guests are allowed into the pool area, but only when accompanied by a Cornerstone pool member. There is a fee of \$5 per guest and there is a limit of four guests per member. Guests will receive a colored wrist band. Anyone inside the pool area is required to either have a membership card or guest wrist band. Guest wrist bands can be obtained in advance at the pool office or from an onsite pool monitor.

SPECIAL FUNCTIONS

Birthday parties and other special functions are available at the pool facility. There is standard "special function" option that costs \$250 and covers up to 20 people. If a bigger party is requested, there is a \$5 fee for each additional guest over and above 20 people. This reserves the entire picnic area for a three hour period (either 10:00AM to 1:00PM, 1:00PM to 4:00PM, or 4:00PM to Close) and allows all-day access to the pool area. Seating is provided in the picnic area for roughly 20 people, and guests are responsible for any blankets or additional seating if required. Other options are also available. If you are interested in obtaining more information or booking this space, please contact the general information/special functions office. Thank you!
